PRESIDENT'S MEMO

The NEWCNA Picnic that took place on 10/09/10 was a huge success. 47 people attended and everyone seemed to enjoy themselves. I wish to thank everyone who attended and those who provided salads, beans and deserts. I also wanted to thank Elizabeth Harrington for buying and transporting all of the food and drinks and Mike Lee for cooking the hot dogs.

We plan make a better effort to remind people about a week prior to next year's picnic, "The More, The Merrier".

We also plan to select the winners of the best Holiday decorated residences on 12/15/10.

We have several NEWCNA Officer positions that need to be filled at the January Meeting. The terms for the President, Secretary, and VP for Four Seasons will expire in December. If you are interested in filling one of these positions we will have open nominations and elections at the January meeting.

Wayne Tobias, President of WCNA, our sister organization across I-35, will be at the quarterly membership meeting to provide details on their efforts improve the neighborhood.

12 yr old throws National Night Out party, makes the news!

By Grace Howell

If take a walk down River Oaks Trail where it turns into River Oaks Drive with any frequency, you've probably met 12 yr. old Avery Pyka. She and her family have lived in the neighborhood for over a decade. She is an friendly, outgoing young lady who has gotten to know many of her neighbors all over the neighborhood. Avery has been the driving force behind an annual Neighborhood Night Out block party for the past few years and her parents have been very supportive of her efforts to bring neighbors out to meet each other. At this year's party she invited her neighbor Helen to bring some of her collection of exotic amphibians, spiders and snakes to show. Helen's informative presentation was a big hit with the kids and adults alike. Like any good block party there were hotdogs and snacks and neighbors who came brought side dishes to share. There was even a drawing for door prizes. Avery's party was featured in a story on KXAN that night. You can see the story online at <<http://www.kxan.com/dpp/news/local/national-night-out-in-austin>> Avery and her folks threw a great party this year and if you missed it make sure to mark your calendar for next year's National Night Out and take a stroll by the Pyka's place and meet some Texas friendly folks that live right here in your neighborhood.

WE HONOR ELVIN "AL" LOVELADY
U. S. Army & U. S. Air Force

Al was born on a farm in Vashti, Texas near Wichita Falls. Because his mother died when he was ten months old, he was raised by his grandparents in Oklahoma. He is an only child.

Elvin's wife Barbara of 53 years passed away on 1 October of this year, for which we extend our sincere condolences. They met in Wichita Falls and married a year later. They had five children including one adopted child. They have three remaining children, seven grandchildren and eleven great grandchildren.

According to Al, he has served in "five wars; Korean, Vietnam and three marriages."

He served in the Army National Guard out of high school in 1950 and was mobilized into the Army. He served three years in the Army and was stationed at Camp Polk, La., Japan and Korea as an infantryman. After being discharged, he worked for six months at roofing company before enlisting in the Air Force. He served nineteen years in the Air force as a security police officer. His Air Force career took him to Vance AFB, Oklahoma; Newfoundland; Shepherd AFB in Wichita Falls;

Clark AFB in the Philippines; and Vietnam. He retired at Bergstrom AFB, Texas in 1971. Al has fifteen medals from the military.

After his military service, he worked for the Federal Protection Service for twelve years in security and for the City of Austin for twenty-one years as a parking enforcement officer and a parking meter man. He retired from the City of Austin in 2003.

Elvin and Barbara have lived on Riddlewood Drive for thirty-nine years. He says he likes his neighbors but has had several bad experiences with theft of items from his yard.

His hobbies are shuttling their grandchildren around and volunteering at Pflugerville Baptist Church.

Elvin attributes a long, successful marriage to his involvement in church. He attributes his long life to hard work, good food and being a non-smoker.

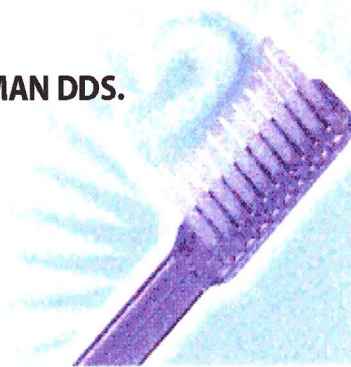

We salute this valued veteran and dedicated public servant!
